

PCI is pleased to offer a semester-long educational program focused on global leadership skills through a multi-faceted curriculum with an opportunity for service learning at a global organization. Open to high school students across San Diego County, this innovative program helps teens develop concrete leadership skills they can apply in their personal lives, academics and future careers. Participants can also help plan and execute PCI's 2018 Walk for Water. The program offers students the opportunity to participate in up to 45 hours of community service, making them eligible for a **Presidential Service Award**.
